Body Style:

Unshielded, solid post, gasket seat

End Application:

Watchkeeper

Reach Length:

0.750 inches

Usage Design:

Aircraft engine

Thread Size And Series/type Designator And Location:

10-1.0mm base

Features Provided:

Plug seat gasket

Product Name:

Racing surface discharge plug

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A10400
