End Application:

2805-01-249-3855

Accessory Components And Quantity:

Empeller and key assembly 1

Model Number:

M1

Material:

Stainless steel

Surface Treatment:

Chromium

General Description:

Consists of 221-10076; 6006; 6007; 6049; 6620

Fsc Application Data:

Outboard motor, gasoline

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
