Inlet Connection Type:

Hose

Specific Equipment Accommodated:

Detroit diesel v-92 engine

End Application:

Detroit diesel v-92 engine

Outlet End Connection Type:

Hose

Outlet Quantity:

4

Inlet Quantity:

4

Tempurature Regulating Valve Opening:

Included

Product Name:

72582

Special Features:

Water manifold v-92

Material:

Iron, cast

Material:

Iron cast

Purchase Description Identification:

72582-8928787

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T109-g
