End Application:

6115-01-461-9335

Engine Design Control Activity:

30554

Vehicle Design Control Activity:

30554

Special Features:

0assembly includes: fan shroud, q type 1 and nut, plain, blind rivet-flat head, open end (p/n 88-20606), q type 4; material is acrylonitrile-butadiene-styrene, extrusion resin, high impact sheet; dimensions are: 26.00 x 23.25 x 5.44 inches

Material:

Rubber butadiene-styrene class sbr

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A515k0
