End Application:

2355-22-622-7966

Product Name:

Radiator shroud

Vehicle Design Control Activity:

5pff0

Special Features:

Outside longest width: 1060mm, inside width: 1000mm, top width: 700mm, measurement from bottom to top: 728mm, from bottom to first angle: 342mm, 65 degree angle from first angle to top 426mm.

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A515k0
