**Body Diameter:**

12.500 inches

**Design Type:**

Nonreusable

**Reference Number Differentiating Characteristics:**

As differentiated by magnetic permeability, shall be less than 1.2 before fabrication and not greater than 2.0 after fabrication as measured in a 200 oersted field

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A24000
