Body Diameter:

12.000 inches

Body Inside Diameter:

9.813 inches

Design Type:

Limited

Bodylength:

2.469 inches

Filtering Media Design:

Pleated single filtering media response

Special Features:

Grumman aerospace corporation a10 aircraft

Material:

Metal container/cartridge

Style Designator:

Cylindrical w/closed ends

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A24000
