Hole Diameter:

0.425 inches

Overall Length:

6.250 inches

Bolt Circle Diameter:

3.375 inches

Overall Height:

4.500 inches

Overall Width:

5.000 inches

Usage Design:

One sediment bowl

Valve Type:

Bypass

Inlet Port Type:

Plain hole

Outlet Port Type:

Plain hole

Valve:

Included

Bowl Mounting Hole Diameter:

4.625 inches

Bowl Mounting Method:

Thread

Mounting Bolt Hole:

Provided

Filter Element:

Not included

Special Features:

Inlet and outlet holes located in mtg flange

Material:

Iron, cast

Material:

Iron cast

Quantity:

4

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T384-e
