Mounting Flange Bolt Hole Quantity:

3

End Application:

Preprovisioning support navicp is poe

Thread Size:

0.3125 inches

Product Name:

Filter, return hydraulic

Special Features:

Max operating pressure 250 psi; max. Flow rate: 150pm

Media For Which Designed:

Fuel/oil, hydrocarbon

Supplementary Features:

Aluminum head construction; pop up element condition indi

Thread Series Designator:

Unc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24000
