Width:

7.000 inches

Overall Length:

9.000 inches

Submersibility:

Nonsubmersible

Filter Type:

Dry

Product Name:

Cartridge group

Special Features:

End item: turbocharger on engine model numbers 3406b, 3406c, 3306b and 3512; filter has plastic body and paper filter element

Functional Description:

Engine model numbers 3406b, 3406c, 3306b, and 3512

Material:

Plastic and paper

Material:

Plastic and paper

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T135-d
