End Application:

738592 (53711) fwd propulsion section assembly, rmv used on 7385917

Product Name:

Hydraulic oil filter, differential pressure

Special Features:

This apl is part of the propulsion section subassembly and directly supports an/wld- (v) 1, remote mine hunting system

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24000
