**Product Name:**

Filter, fluid

**Special Features:**

Size: .25ips; inlet pressure rating: 300 psi; reduced pressure rating: 2-60 psig; end connections: fpt; filter rating: 40 microns; temperature range: 40-120 deg; body material: zinc

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A24000
