Product Name:

Filter, fluid

Special Features:

Size: .25ips; inlet pressure rating: 300 psi; reduced pressure rating: 2-60 psig; end connections: fpt; filter rating: 40 microns;

temperature range: 40-120 deg; body material: zinc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A24000
