Product Name:

Filter, regulator, lubricator combination, pneumatic 3/4in. 3 pc combo 0-250 gage

Special Features:

Max. Flow: 90 scfm; connections: 3/4in. Npt; pressure range: 250 psig max. Inlet; temperature range: 32 degrees f to 175 degrees f;
seal material: nitrile; body material: zinc; filter element: micron: metal bowl: twist drain

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A24000
