**Overall Width:**

6.000 inches

**Body Thickness:**

0.625 inches

**End Application:**

Td-1470 multiplexer equip rac (cvn) and an/usq-155(v) misc

**Bodylength:**

15.500 inches

**Product Name:**

Vent panel

**Material:**

Nickel alloy screening

**Surface Treatment:**

Chromium screening

**Style Designator:**

Rectangular (incl square)

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A24000
