**Body Diameter:**

7.66 inches

**Body Inside Diameter:**

4.61 inches

**End Application:**

TRUC-K,-LIF-T,FO

**Bodylength:**

14.13 inches

**Product Name:**

Filter, element

**Special Features:**

Primary application: donaldson xrb08 series

**Style Designator:**

Cylindrical w/ container (rigid) and mounting flange

**Test Data Document:**

Iso 5011 standard (includes industry or association standards, individual manufactureer standards, etc.).

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A24000
