End Application:

Mine resistant vehicle 2355015495271 and 2355015590791

Product Name:

Tank top return line filter

Special Features:

Single port return line filter; 30 gpm; pressure gauge 0-60 psig; pressure setting 25 psid; ports sae-16 (1 5/16"-12)

Material:

Rubber synthetic seal

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24000
