**Body Length:**

4.875 inches

**Body Outside Diameter:**

3.0 inches

**Body Inside Diameter:**

1.05 inches

**Design Type:**

Nonreusable

**Product Name:**

Cartridge lube metal canister filter

**Special Features:**

Type full flow, beta-rating: 2/20 = 30/44, service hydraulic.

**Material:**

Steel container/cartridge

**Media For Which Designed:**

Air and gas

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A24000
