Overall Width:

0.570 inches

End Application:

Nsn 1520-01-088-3669 ch47d helicopter

Product Name:

Doubler, p-seal, lower, outer, right side

Special Features:

Aluminum alloy material 6061-t6; anodized finish per mil-s-8625 type ii class 1; in flat pattern length is 18.37 inches; in formed shape length is 16.07 inches; thickness 0.040 inch

Material:

Aluminum alloy

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
