End Application:

Fuel filter assembly on cf6 series aircraft engine

Product Name:

Filter bowl

Special Features:

Max diameter 4.5" ; oal is 5.95" ; thread is 4.3750-10 butt3a; contains removable bleed plug and the material is aluminum alloy 2024t351

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A24000
