General Description:

Aluminum alloy body, rotary type pump w/ centrifugal air inlet filter, 2 unthd external hose connections for 0.750 in. I.D. Hose, 1 unthd external hose connection for 1.000 in. I.D. Hose, two 0.380 in. Diameter mtg holes, 2.270 in. Hub dia, 6.250 in. O/a pump lg

Fsc Application Data:

Emission control air injection reactor system

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
