**Design Form:**

Straight

**Usage Location:**

Exhaust pipe

**Nominallength:**

53.000 inches

**Material:**

Steel

**Material Specification:**

Qq-t-830, type 1 federal specification single material response

**Surface Treatment:**

Aluminum

**Surface Treatment Specification:**

Mil-std-1261 military standard single treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A500u0

**Mil-std (military Standard):**

Mil-std-1261 spec.
