Design Form:

Straight

Usage Location:

Exhaust pipe

Nominallength:

53.000 inches

Material:

Steel

Material Specification:

Qq-t-830, type 1 federal specification single material response

Surface Treatment:

Aluminum

Surface Treatment Specification:

Mil-std-1261 military standard single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A500u0

Mil-std (military Standard):

Mil-std-1261 spec.
