Exhaust Pipe - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/2990-00-706-1105

Design	Form:
Design	i onin.

Straight

**Usage Location:** 

Exhaust pipe

### Nominallength:

53.000 inches

#### Material:

Steel

#### **Material Specification:**

Qq-t-830, type 1 federal specification single material response

#### Surface Treatment:

Aluminum

#### Surface Treatment Specification:

Mil-std-1261 military standard single treatment response

#### Shelf Life:

N/a

#### Unit Of Measure:

--

## Demilitarization:

No

## Fiig:

A500u0

#### Mil-std (military Standard):

Mil-std-1261 spec.
