Overall Length:

34.310 inches

Overall Height:

15.000 inches

Overall Width:

10.000 inches

Design Type:

Dry

Coolant Type:

Air

Muffler Design:

Straight through

Body Shape:

Oval

Operating Position:

Any acceptable

Material:

Steel, qq-s-766, class 321, cond a

Material:

Steel comp 321

Material Specification:

Qq-s-766, class 321, cond a federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T135-c
