Inlet Connection Type:

Unthreaded

End Application:

Crane; harnischfeger corp, model 9070

Design Type:

Dry

Coolant Type:

Air

Body Shape:

Round

Operating Position:

Horizontal

Inlet Location:

Located rh end section of body

Outlet Connection Type:

Unthreaded

Outlet Location:

Centrally located at top end of body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T135-c
