Overall Length:

28.740 inches

End Application:

Tactical vehicles

Body Shape:

Rectangular

Special Features:

Nha chassis, truck nsn2320-01-447-6345; applicable specifications/standards: nsi y14.5m-1982

Material:

Steel, corrosion resisting

Material:

Stainless steel

Surface Treatment:

Aluminum

Surface Treatment:

Aluminum

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T135-c
