Overall Length:

4.900 inches

Overall Height:

12.200 inches

Overall Width:

4.500 inches

End Application:

Mask, protective, combat vehicle (m42-m25 series)

Accessory Components And Quantity:

Instruction book 1, tubing 301447 1, airfilter label 130497 1, valve 412000 1, fluid cylinder 020020 1, blockor fitting 250009 1, clamp 301082 1, engine temperature sensors 300789 1, injector nozzle 220295 1, dash label 130492 1

Special Features:

Diesel engine 0.82-3.69 liters (50-225 cid) 12 volt dc system

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
