Inside Diameter:

11.250 inches

Overall Height:

31.250 inches

End Application:

2320-01-452-5579

Mounting Method:

Bracket

Product Name:

Heat shield - lower

Engine Design Control Activity:

03533

Special Features:

Nha - exhaust assembly - 2990-01-498-8952; mount on bracket with bolts; round shield rolled out measures 31.25 in x 32.65 in; shield is perforated

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A520e0
