Inside Diameter:

11.250 inches

Overall Height:

33.000 inches

End Application:

2320-01-452-5579

Mounting Method:

Bracket

Product Name:

Heat shield - upper

Special Features:

Nha - exhaust assembly - 2990-01-498-8952; material is galvanized steel, 16 guage; mount on bracket with bolts; round shield rolled out measures 33.00 in x 42.75 in; shield is perforated

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A520e0
