**Overall Length:**

15.281 inches

**Overall Height:**

2.125 inches

**Overall Width:**

7.219 inches

**End Application:**

Power distribution panel

**Product Name:**

Digital load sharing and speed control

**Special Features:**

Power supply rating 18-40 vdc (selv), ambient operating temp minus 40 to plus 70 degrees c

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23900
