Inlet Connection Type:

Threaded

End Application:

Nsn 2320-01-447-6345 truck chassis

Body Shape:

Irregular

Operating Position:

Vertical

Product Name:

Conical muffler

Special Features:

Connection 1/4 inch npt

Material:

Brass

Material:

Copper alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T135-c
