End Application:

Amphibious transport dock lpd17

Product Name:

Exhaust, silencer spark arrester

Special Features:

Ssdg exhaust system; material 321 sst; end connection 26in., flanged; fluid exhaust gas; temperature 820 degrees f; pressure 2 psig

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T135-c
