## NSN 2990-01-535-2851

Emission Control Crankshaft Position Sensor - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/2990-01-535-2851

End Application:
Waterjet - mdl tdj140
Product Name:
Engine speed sensor
Special Features:
Used on control system for single engine/single jet assumes mechanical engine, solenoid shift gears, and a single control station
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A516j0
