Flange Diameter:

6.750 inches

Flange Thickness:

0.250 inches

Flange Shape:

Hexagon

Material:

Stainless steel

Material Specification:

Qq-s-766 federal specification 1st material response and qq-s-741 federal specification 2nd material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A512j0
