

View Online at <https://aerobasegroup.com/nsn/2990-01-552-4901>

Governor Type:

Synchro transmitter

Body Material:

Aluminum

Special Features:

Configurable for control and monitoring in engine, plant, process and marine applications; 32 bit microprocessor; 3 user configurable communication ports

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A512f0
