**End Application:**

Divers propulsion device 4500-100

**Product Name:**

Steering control cable, sheathed ss

**Special Features:**

Stainless steel sheathed cable

**Functional Description:**

Provides physical connection between steering yoke and thruster assembly

**Color:**

Black

**Material:**

Steel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A23900
