End Application:

Camera turret

Design Form:

Straight

Criticality Code Justification:

Feat

Nominallength:

3.250 inches

Product Name:

Exhaust coupler

Special Features:

Military critical, export control; 316 stainless steel

Material:

Stainless steel

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A512w0
