Overall Height:

11.000 inches

Overall Diameter:

6.380 inches

Design Type:

Wet

Body Shape:

Round

Inlet Location:

Side single inlet

Water Inlet Outside Diameter:

2.000 inches

Water Outlet Location:

Top

Water Outlet Outside Diameter:

2.000 inches

Product Name:

Vernalift side in/top out exhaust

Special Features:

horse power; gasoline-60, diesel-25

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T135-c
