Wall Thickness:

0.062 inches

End Application:

4940-01-591-0265

End Item Source:

5b5m3

Design Form:

Weldment

End Item Name:

Welder

End Item Model Number:

11bwelder

Usage Location:

Exhaust pipe

Outside Diameter:

1.5 inches

Nominallength:

40.69 inches

Special Features:

Finish 5.11 of mil-std-171, then paint iaw mil-dtl-53072 using finish 20.24 of mil-std-171, color 383 green, color ship 340940of fed-std-595

Material:

Steel comp 1020

Material Specification:

Astma512 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A500u0
