Product Name:

Cock press sensor

Special Features:

Pressure range: (mbar) 115 - 1013, length: 7.68 inches, operating temp range: -40 degree f to +161.1 degree f, storage temp range: -65.2 degree f - + 203 degree f, excitation voltage: normal: +28.0 vdc, max: +32.0 vdc.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A516j0
