**Product Name:**

Cock press sensor

**Special Features:**

Pressure range: (mbar) 115 - 1013, length: 7.68 inches, operating temp range: -40 degree f to +161.1 degree f, storage temp range: -65.2 degree f - + 203 degree f, excitation voltage: normal: +28.0 vdc, max: +32.0 vdc.

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A516j0
