Overall Length:

216.0 inches

End Application:

Uscg cutter boat, over the horizon-iv 16 ft (oth-iv)

Product Name:

Remote control calbes

Special Features:

Stainless steel core with nylon covering using plastic-on-plastic technology that improves cable performance; 4-inch bend radius; length 18 feet

Material:

Stainless steel

Surface Treatment:

Plastic

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23900
