**End Application:**

Wide range of applications

**Product Name:**

Transducer, pressure precision, ruggedized

**Special Features:**

Full scale pressure range 20 psi, accuracy & opr. Temp range -40 to 85 deg. C, 9 - 28 vdc, 6 pin vented bendix style

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A516j0
