End Application:

Wide range of applications

Product Name:

Transducer, pressure precision, ruggedized

Special Features:

Full scale pressure range 20 psi, accuracy & opr. Temp range -40 to 85 deg. C, 9 - 28 vdc, 6 pin vented bendix style

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A516j0
