End Application:

F100-pw-229

Material:

Aluminum alloy

Reference Data And Literature:

T.O.2j-f100-54, f.48

General Description:

Has not been modified for high heat operation; modified version is p/n 441944

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
