**End Application:**

Pacer dawn

**Special Features:**

Self closing magnetic drain plug, contains permanent magnet; connector shall withstand 50 lb torque in chip detector; magnet shall be capable of lifting a 1.00 in. Diameter ball or 2.5 oz of weight

**Material:**

Aluminum alloy

**Surface Treatment:**

Anodize

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A520y0
