End Application:

Allison engine t-56a

Criticality Code Justification:

Spcl

Product Name:

Gear and bearing assembly, planet

Special Features:

Gear assembly, planetary

Reference Data And Literature:

T.O. 2j-t56-54

Special Test Features:

Must undergo tests as required by anna bulletin no.423

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
