Bolt Hole Quantity:

42

End Application:

Crankshaft coupling main propulsion engine, model 38d8 1/8, used onboard 140 ft coast guard vessels

Special Features:

Laminated construction feature-not incl.; insert has 30 unthded holes 1/2 in. Nom diameter in outer perimeter and 12 1.000 in. Nom diameter holes on inner perimeter

Material:

Steel

Style Designator:

Multiple holes, round bore

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A52200
