Flexible Coupling Insert - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/3010-01-137-4502

Bolt Hole Quantity:
42
End Application:
Crankshaft coupling main propulsion engine, model 38d8 1/8, used onboard 140 ft coast guard vessels
Special Features:
Laminated construction feature-not incl.; insert has 30 unthded holes 1/2 in. Nom diameter in outer perimeter and 12 1.000 in. Nom diameter
holes on inner perimeter
Material:
Steel
Style Designator:
Multiple holes, round bore
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A52200
